Todd - The 2 copies of the agreement are on their way over directly to John Njord. John Baza has signed them. We are asking for one copy to come back to us so we can send it out in our Board packets for them to review for approval on the 28th March. Thanks.

Susan,

Please send them to John Njord and I am sure he will give the signed documents back to Bruce Garner for our meeting on March 28.

Thanks!

All: How do you want to proceed? Should we finalize document and have John Baza sign two originals and then send it over to UDOT for John Nord's signature? If so, who should we send it to at UDOT? We then need the two originals for our Board Chairman's signature on March 28. Susan

Susan,

I am comfortable with the language of the agreement. Please proceed to finalize this document.

Thanks,
John B.

John, attached is the UDOT bonding agreement. Please review and let me know if you have suggested changes. John Nord has reviewed and is ready to sign. We have tweaked the document a little since he's reviewed it. UDOT's AG, Bruce Garner, is aware of the modifications. Susan
